## **RCMA ANNOUNCES 2009 BOARD OF DIRECTORS Three Chair Appointments Approved**

[www.roofcoatings.org](http://www.roofcoatings.org)

**WASHINGTON, DC**—The Roof Coatings Manufacturers Association [RCMA] elected and installed its Board of Directors, and Committee chairs, at the RCMA 2009 Annual Membership Meeting at its 2009 Annual Conference & EXPO in Dana Point, California.

Four terms expired, including two Associate Member seats and two Regular Member seats. The former were filled by reseating **Don Portfolio** of PRI Construction Materials Technologies, LLC. and newly seating **Jonathan Dietzel** of the SWT Group; the latter by reseating **Biff Smith** of Ergon Armor and newly seating Chuck Fratianne of FBC Chemical Corp.

Incumbent RCMA Officers and other Members of the Board of Directors are as follows:

**Brian Anthony (RCMA President)**, The Brewer Company  
**Joseph W. Mellot (RCMA VP, Long Range Planning)**, The Garland Company  
**W.J. “Skip” Leonard (RCMA VP, Member Services)**, Henry Company  
**Jeffrey Blank (RCMA Secretary-Treasurer)**, SR Products, Inc.  
**Raymond T. Hyer, III**, Gardner-Gibson, Inc.  
**Chris Salazar**, Karnak Corporation  
**Steve Heinje**, United Coatings

The RCMA officers are members of the Board and will continue their two-year terms, which began in 2008.

RCMA Committee Chairs and Co-Chairs are elected for a term of two [2] years. The RCMA approved the 2009 appointments as follows:

Associates Council: **Mark Freshwater**, Lansco Colors  
Annual Conference: **Van Ripps**, Palmer Asphalt Company  
Government Affairs: **Mary Ellen Snow**, Ergon Armor; and **Anthony Romano**, GAF Materials Corporation

Incumbent chairs and co-chairs of RCMA committees and councils are as follows:

Technical Committee: **Kurt Sosinski**, Tremco  
Membership Committee: **Chris Shepherd**, Momentum Technologies, Inc.  
Past President’s Council: **Chris Salazar**, Karnak Corporation  
White Coatings Council Co-Chairs: **Thomas Meyer**, Coatings and Foam Solutions, and **Steve Heinje**, United Coatings
